

Earn Money as an Independent Contractor & Help a Great Local Nonprofit Organization

Donation Bin Placement Contractor

ORGANIZATION SUMMARY: For more than 60 years, Arc Greater Twin Cities, a member and volunteer-driven nonprofit organization, has developed and offered innovative programs, services, community outreach and education to support individuals with disabilities and their families in our community.

POSITION DESCRIPTION: The donation bin placement contractor will work independently under contract to find convenient and productive host sites for Arc's donation bins.

THE DONATION BIN PLACEMENT CONTRACTOR MUST be self-motivated, self-disciplined, and maintain a professional, friendly demeanor at all times while representing Arc Greater Twin Cities.

COMPENSATION is paid on commission for each successfully placed bin. **BONUSES** will also be paid based on bin location, production, and timeliness of placement.

ARC PROVIDES:

- Print materials needed to share with potential bin hosts
- Bins, bin delivery, and donation pickups from bins
- That good feeling, knowing your efforts help people with disabilities in our community
