End of Summer, Start of Fall, Value Village Has it All!

Save Money and Support People with Disabilities

MINNEAPOLIS – Survey after survey shows that consumers plan to spend less this fall. Families with growing kids are worried about managing household finances with all of the additional back to school expenses. Yet shoppers looking today for warm weather clothing can't find what they need in mall stores already filled with fall clothing. What's a smart shopper to do right now? Check out Arc's Value Village Thrift Stores & Donation Centers before taking a trip to the mall because Arc's Value Village has it all.

Students, teachers, mothers and others getting ready for fall can save money on everything they need, including clothing, backpacks, books, craft items, games and dorm décor. As they hunt for bargains, shoppers care for the environment by reducing, reusing and recycling and care for their community by helping fund Arc Greater Twin Cities' programs for children and adults with intellectual and developmental disabilities and their families. It's shopping with a purpose!

Arc's Value Village Thrift Store & Donation Centers have three convenient store locations:

- Value Village Brooklyn Center, 6330 Brooklyn Boulevard; (763) 503-3534
- Value Village New Hope, 2751 Winnetka Ave. N.; (763) 544-0006
- Value Village Richfield, 6528 Penn Ave. S.; (612) 861-9550

Stores are open Monday through Friday, 9 a.m. to 9 p.m., and Saturday and Sunday, 9 a.m. to 7 p.m. For maps to the stores and other helpful information, visit the Value Village Web site at www.arcsvaluevillage.org.

Thanks to generous donations from the community, Arc's Value Village has worked on behalf of Arc and the people it serves for more than 25 years and generated nearly \$15 million for Arc programs and services for children and adults with intellectual and developmental disabilities and their families.
